Dear [Hiring Manager's Name or "Hiring Team"],

I hope this message finds you well. I wanted to follow up regarding my recent application and express my continued interest in the opportunity to contribute my skills and enthusiasm to your team.

As a motivated student from Vinal Technical High School with a strong academic record and a passion for both technology and service, I am eager to apply my hands-on experience, certifications, and commitment to learning in a professional setting. My background in project management principles, IT fundamentals, and volunteer work—along with real-world experience working with children and supporting community events—reflects my ability to adapt, solve problems, and engage with others effectively.

I would appreciate the chance to speak with you further and learn more about how I could support your goals. Please feel free to reach out if any additional information is needed. Thank you again for your time and consideration.

Sincerely,

Elizabet Meyer
